

lone Man Uses Knife During Fight

Assailant Jailed After An All-Night Auto Ride

PROSPECTORS ENGAGE IN FIGHT IN WHICH KENNETH WADE CHARGED WITH USING KNIFE ON H. WILBUR

Kenneth Wade, a prospector, was brought in from Lone this morning by Sheriff Malley and lodged in the county jail to answer a charge, probably of assault with intent to kill, as a result of an altercation at Lone yesterday afternoon with Haverley Wilbur. During the fight Wilbur received a knife cut on the arm that came near causing his death by the loss of blood. An artery and the muscle in the forearm were cut by a slash of a butcher knife and only prompt measures taken by friends of the injured man served to stop the flow of blood from the artery.

The report of the occurrence reached Tonopah last night and Malley, accompanied by Dr. McDonnell left shortly after 8 o'clock for the lone district. Lone was reached at 1 o'clock and after a stay of two hours during which time McDonnell dressed the wound of Wilbur and Malley had placed Wade under arrest, the party returned to Tonopah, arriving here at 7 o'clock this morning.

According to the information secured by Malley, Wade has posed as a bad man during his stay at lone and is declared to have frequently

narrated occurrences in which he had "shot up" several towns during his career. Prior to the fight yesterday Wade was boasting of his prowess as a fighter, when Wilbur spoke up and declared that he was not afraid of Wade or any other man living.

According to the reports this statement angered Wade, and picking up a butcher knife he suddenly attacked Wilbur. Before the two could be separated Wilbur had received a painful cut across the forearm. The wound was bound up and Fred Smalling telephoned to Sheriff Malley. The message was telephoned to Austin and from that point related to Round Mountain and from Round Mountain repeated to Tonopah. Smalling asked Malley to bring a physician and in accordance with this request Dr. McDonnell was secured to make the trip.

Tom Dixon, an eye witness to the affair, returned with the sheriff and will remain in Tonopah pending the disposal of the case. It is probable that the preliminary hearing of Wade will take place tomorrow or Monday, although no specific date has been set as yet.

ELLEN SHEERIN NEVADA PIONEER CROSSES DIVIDE

REMAINS WILL BE TAKEN TO VIRGINIA CITY FOR INTERMENT IN FAMILY PLOT.

After being in feeble health for the past three or four years, Mrs. Ellen Sheerin, a pioneer woman of Nevada died this morning at the home of her daughter, Mrs. Chris Vucanovich, in this city. Old age was the immediate cause of the death. For the past two days the aged pioneer had been in an unconscious state and notwithstanding medical attention she continued to sink until she peacefully passed away.

Mrs. Sheerin was born in Ireland on September 29, 1836. During the year 1875 she came to Virginia City where she resided until 1905 when she moved to Tonopah to make her home with her daughter. Six years ago her husband, John Sheerin, a Virginia City pioneer died in this city and since that date Mrs. Sheerin continued to all. She made several short trips to Virginia City but her health failed to improve during such journeys and she always concluded her visits after a few weeks and returned to this city.

The deceased is survived by a daughter and a son, the latter being E. J. Sheerin of Virginia City, and several grand children. The remains will be taken to Virginia City tomorrow for interment and will be accompanied by Mr. and Mrs. Vucanovich. The burial will be in the family plot.

During her long illness Mrs. Sheerin bore her lot cheerfully. She was resigned to her fate and during the last hours that she had possession of her faculties she greeted her loved ones with a smile.

Mrs. Sheerin was one of the real pioneers of the Comstock. She had an intimate acquaintance with all the notables that helped to make early day history in Nevada and was beloved and respected by all. Her place in this world will be missed.

SHERIFF SAYS THAT DEGAN NOT MYLES IS RETIRED

CORRECTION IS REQUESTED IN PLACE OF ERROR IN THURSDAY BONANZA.

The bombastic denial on the part of the sheriff cautions the Bonanza against paying heed to street rumors in the future and declares that Myles has not been removed from office nor is there any thought on the part of the sheriff of discontinuing his services.

The information was vandered today at the sheriff's office that Jas. J. Degan, jailor, had fallen the victim of the commissioners' order for retrenchment and that Myles would be retained in the capacity of deputy assessor.

WELCH-MORGAN BOXING BOUT IS DECLARED DRAW

BOXING MATCH AT NEVADA THEATER LAST NIGHT ENDS WITH HONORS EVEN.

Three rattling good boxing matches were witnessed at the Nevada theater last night, and at the end each was declared a draw. The decisions met with the favor of the audience.

The main event was the ten-round bout between Jimmy Welch and Kid Morgan. This bout was of the whirlwind variety, although at times the fighting was slow while the boxers were recovering their wind. Welch showed greater speed than did his antagonist and landed the greater number of blows, but he lacked the steam. On the other hand, while Morgan was slower on his feet and in his movements, he placed more power in his punches. The fight fans were about evenly divided in picking a favorite and there was very little opposition to the decision of Chas. Perryman who refereed the match.

The first preliminary was a four-round bout between Young Sullivan and Kid Sparks, who belong in the pigeon class. The youngsters proved to be exceptionally clever for their age and were heartily applauded at the conclusion of each round. Joe Murphy and Kid O'Connell participated in the second preliminary of six rounds and some aifty work was witnessed by the fans. Like the preceding bout this ended in a draw as the honors were even at the end of the six rounds.

The dirt accumulated on the baseball diamond is clean. A Democrat cannot say that for all other diamonds in America."

May Precipitate Trouble.

WASHINGTON, April 11.—William Wallace Corrie, seaman, and John Chase Kiestow, first class master at arms, were the men killed in the fight as reported here by Admiral Cowles by wireless via San Diego.

Corrie's nearest relatives are A. S. J. Corrie of Los Angeles, while Kiestow's father lives in San Francisco. The men had been in the navy eleven years. Both men had excellent records.

The admiral says they were not likely to have been the aggressors. A few weeks ago two officers of the cruiser Denver were assaulted while ashore at Guaymas. On another occasion when the Denver was ordered to another port anti-American feeling was so high the orders were countermanded and she remained to protect Americans and other foreigners.
